This Class is aimed at being a repeat of our Thursday evening class in Weston. A New Dance Taught every week and recaps of the other latest dances we have done.

Crazy Gang Entertainment has been running since June 2001. I pride myself on teaching all ages with a variety of modern line dance in an energetic and fun way that's suitable for all.

Please wear sensible flat shoes with as little grip as possible. You will get hot dancing so don't be overdressed. We recommend you bring a drink. Toilets available.
